JOINT STIPULATION OF DISMISSAL

Pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(ii), General Star Indemnity Company (“General Star”) and Defendant Dream on Me Industries, Inc. (“Dream on Me”) file this joint stipulation of dismissal without prejudice.

This is an insurance coverage action in which the parties seek a declaration of coverage for an underlying lawsuit alleging injury to a minor child from a Dream on Me crib (the “Underlying Action”). On November 26, 2019, Dream on Me apprised the Court that both the parties to the Underlying Action and the parties to this coverage action had reached a settlement in principle, and this action would be dismissed once the Underlying Action was dismissed. The Court entered an order administratively closing the case and giving the parties time to finalize their settlement and dismiss the case (D.E. 16).

Due to the need for the court in the Underlying Action to approve an infant’s compromise after submission of a physician’s affidavit and COVID-19 delays, the Underlying Action remains

pending. Given that the parties to this action have settled their dispute in principle, they are dismissing this action, without prejudice in the (hopefully unlikely) event the settlement of the Underlying Action is not approved and the parties are unable to reach an amicable resolution of any further dispute.

Respectfully submitted,
